DESERT CHASE

CREATIVE BRIEF

Embark on an exhilarating adventure and buckle-up for a heart-pounding race through two adrenaline fueled levels spanning both desert and city landscapes. Dodge towering sand dunes in the scorching desert and evade danger while racing against time. As you plunge into a post apocalyptic city, skyscrapers loom and enemies lurk around every corner. Navigate bustling streets, engage in thrilling car chases, and outmaneuver rivals in a bid to reach the final showdown. Objective: Navigate through the city in a rugged vehicle, pursuing and eliminating hordes of zombies and mutant creatures.

With immersive technology, dynamic environments, and challenging bosses in every Level, 'Desert Pursuit' offers a three-minute experience at each level like no other, where teamwork and skill are the keys to victory!

The game features motion seats that sync with the camera movements for an immersive experience.
